

# EXIT PROTOCOLE

**You must vacate the premises by 11:00 a.m.**

We hire a cleaning lady for the laundry of the household linen as well as for the preparation and deep cleaning of the accommodation between each rental.

We prefer to give you the choice regarding cleaning and not to charge it automatically.

**It is available as an option for €160.**

**If you do not wish to take the cleaning option**, here is a complete checklist to help you return the accommodation in the same condition as you found it upon arrival.

If this is not the case, the cleaning fee will be deducted from the security deposit.

**If you choose the cleaning option**, the accommodation must still be returned in a decent condition, out of respect for the cleaning lady.

**If the house is found in an abnormally dirty state, the cleaning costs will be charged.**
